

BUREAU VERITAS CORPORATE SOCIAL RESPONSIBILITY COMMITMENT

Bureau Veritas is firmly committed to Corporate Social Responsibility (CSR). It rounds out our “absolutes” and our fundamental values.

CSR is embedded in our purpose – being a responsible and sustainable business is part of our very DNA. Given the nature of our businesses, our mission as a company is to build trust between businesses, governments and citizens/consumers, while improving health, safety and quality, and protecting the environment.

As a leader of our market, we want to lead by example. In 2020, four key actions were initiated to accelerate the Group’s CSR program. These involved:

- Supporting our clients across the world when they restarted business following the Covid-19 lockdowns by defining and putting in place health protocols to enable them to resume operations while also protecting their employees, users and clients;*
- Launching our GREEN LINE of services and solutions dedicated to sustainability to support our clients in their transition to a more environmentally and socially sustainable economy;*
- Updating our 2025 CSR STRATEGY by refining our priorities and objectives, along with our ambition of becoming the CSR leader in our business sector;*
- Preparing a CLIMATE PLAN according to Task Force on Climate-related Financial Disclosures (TCFD) recommendations, which we have integrated into our strategy.*

More than ever, Bureau Veritas and each of its employees remain dedicated to further improving the Group’s footprint, particularly by protecting the environment, preserving biodiversity, defending human rights, acting ethically, and reinforcing safety and security.

Through our support for the United Nations’ Sustainable Development Goals and the principles of the Global Compact, we want Bureau Veritas to remain a model company, responsible and committed towards the Society.
