

Gaïa Rating - 2020 Campaign Results

Ranking : 24/390

Ranking within the category of turnover > 500 million euros: 21/182

Gaïa Rating, EthiFinance's ESG rating agency, conducts an annual data collection campaign covering most of the SME-ETIs listed in France. On the basis of this information, companies are rated on their level of transparency and performance. Rankings have been established by turnover category in order to reward the best players based on our France's coverage of 390 SMEs and mid-caps listed on the Paris stock exchange.
