Move Forward with Confidence

Highlights

François Tardan

Q1 2008 Revenue

- ▶ Solid organic growth performance of 9.0% with a strong increase in Marine, Industry and Consumer Products. Due to the merger of BV and ECA's networks, organic growth is calculated over Q1 2007 pro-forma revenue (including ECA).
- ▶ Contribution of acquisitions +13.1% (mainly ECA in Spain, CCI in Australia and Chemtox in Denmark)
- ▶ Negative currency impact of 4.5% (generated by the US and HK dollars and the British pound)

May 7, 2007

3

Acquisitions to date

9 Acquisitions - €150m of annual revenues

Name	Date	Business	Country	Revenues (€m)
Ziller Ass	Jan. 08	Fire safety equipment inspection services	Germany	2
Tecniter	Jan. 08	Construction code compliance	Italy	0.4
Codde	Jan. 08	Energy efficiency auditing tools	France	0.4

Acquisition of Amdel

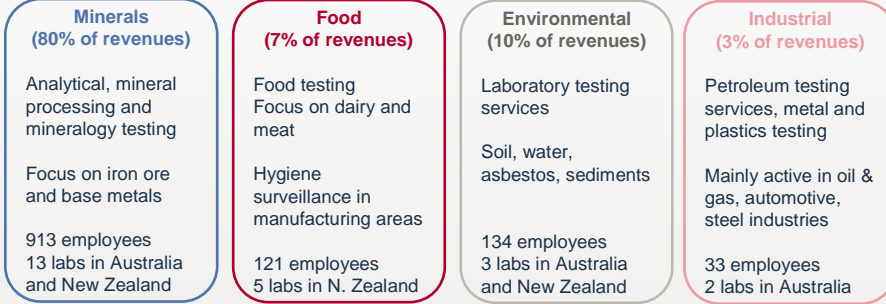

Amdel Overview	Transaction Structure
<ul style="list-style-type: none"> ▶ Largest provider of upstream minerals testing services in Australia <ul style="list-style-type: none"> • Also offers materials, environmental and food testing ▶ Formed in 1960 ▶ Well recognised brand with a longstanding reputation for technical excellence ▶ 1,200 FTE employees ▶ 23 laboratories in Australia and New Zealand ▶ 2008/09¹ revenue estimated at AU\$188m ▶ 2008/09¹ EBITA estimated at AU\$45m 	<ul style="list-style-type: none"> ▶ EV-to-2008/09¹ EBITA multiple of 10x ▶ Financed through an additional debt of €250m ▶ Closing on May 6, 2008 ▶ Earnings accretive in 2008
	<h3 style="border-bottom: 1px solid black; display: inline-block;">Acquisition Rationale</h3>
	<ul style="list-style-type: none"> ▶ Access to high growth and high margin minerals testing market ▶ Size and technical know-how to lead minerals testing expansion in Africa and Asia ▶ Platform to develop Mining & Minerals services worldwide

1. Estimate for fiscal year from July 1, 2008 to June 30, 2009

May 7, 2007

6

Amdel portfolio of services

May 7, 2007

7

Amdel minerals highlights

- ▶ Provides full range of mineral testing services (geochemical, mineral processing, mineralogy)
- ▶ Market leader in Australia across all segments of upstream mineral testing
- ▶ Highly efficient lab platform
- ▶ Positioned through the full mine life cycle: balanced revenue streams
- ▶ Longstanding key account relationships: BHP Billiton, Rio Tinto, Xstrata, OneSteel, OceanaGold

May 7, 2007

8

Minerals testing market overview

► Upstream minerals testing market overview

- c€1.5bn global market with strong outsourcing potential
- Driven by growing mining exploration spend and global demand for minerals (in particular China and India)
- Two global competitors: SGS and ALS

► Australia : a key market for mineral testing services

- Leading mining country
- Low cost mineral producer
- >70% of exports go to Asia (China, India, Japan, Korea)
- Home of global mining & minerals players: BHP Billiton, Rio Tinto
- Mineral testing market expected to grow at CAGR of 9% between 2007 and 2012

May 7, 2007

9

Development strategy

► Amdel to become hub to grow the upstream mineral testing business internationally

- Amdel has started recently its international expansion with projects in Sierra Leone. Additional opportunities identified in Africa
- Leverage Bureau Veritas' network to accelerate Amdel expansion plans in Africa and Asia

► Creation of global platform in Mining & Minerals

- In excess of €150m revenues in 2009
- Dissemination of Amdel's technical know-how in Bureau Veritas network (in particular Latin America)
- Mining / Minerals market : strong cross-selling potential with businesses of Industry & Facilities division (Certification, HSE, Industry, IVS)

Business Review

Frank Piedelièvre

12

Marine

- ▶ Organic growth of 17.7%
- ▶ Continuous growth in new construction
 - From shipyards located in Asia (China), Turkey and the Netherlands and from equipment manufacturers in Germany
 - Order book at 31/03/08 of GRT 31.3m, representing four years of delivery
- ▶ Fleet in-service also generated good growth
 - 7,964 ships and GRT 59.4m at March 31, 2008 (vs 7,581 ships and GRT 55.2m at March 31, 2007)
- ▶ Currency impact of -4.9% (decrease of US dollar, Korean won and British pound)

May 7, 2008

13

Industry

- ▶ Organic growth of 23.6%
 - All geographies and segments enjoying good growth with:
 - sustained contribution from oil & gas CAPEX in Latin America (Brazil, Chile, Peru and Argentina), in Asia (China, India, South-East Asia) and Russia
 - power-related CAPEX in France, Finland, China, Japan, India and USA
- ▶ Scope impact of 16.4%
 - CCI Holdings and ECA
- ▶ Currency impact of -4.9%

May 7, 2008

14

In-Service Inspection & Verification

- ▶ Organic growth of 3.6%
 - +2.1% in France (57% of revenues)
 - +7.2% in Spain (20% of revenues)
 - +0.1% in the UK (13% of revenues)
- ▶ Organic growth would be 6.0%, on a like-for-like number of working days basis (Q1 2008 has 2 working days less than Q1 2007)
- ▶ Deployment of the Pan-European platform: the Netherlands, Italy and Germany still in the building mode
- ▶ Scope impact of 24.7% (ECA)
- ▶ Currency impact of -2.5% (British pound)

May 7, 2008

15

Health, Safety & Environment

- ▶ Organic growth of -2.0%
 - On going process of redeploying the portfolio of services with a focus on growing and value-adding products (energy efficiency, carbon emissions reduction, green buildings, sustainable development, safety at work).
 - Stable activity in France and USA
 - Decrease in Australia, UK, Spain
- ▶ Scope impact of 19.9%
 - ECA in Spain, Trotters and Chemtox in Denmark
- ▶ Currency impact of -6.3% (US dollar and British pound)

May 7, 2008

16

Construction

► Organic growth of 5.1%

- +3.1% in France (47% of revenues): a combination of slow growth in new buildings code compliance services and accelerated growth in asset management services (technical due diligence, property audits and HQE certification)
- +16.4% in Spain (22% of revenues), slowdown in private buildings activity, strong growth in infrastructure projects
- -17.8% in the USA (12% of revenues), -10% for code compliance services (3/4 of revenues) and further reduction in voluntary-based construction materials testing (1/4 of revenues)
- +55.6% in Japan (5% of revenues), fueled by the code compliance market privatization
- +2.3% in the UK (5% of revenues), where business is mainly made of construction materials testing
- UAE, China, Russia emerging as growing opportunities

► Scope impact of 16.8% (ECA in Spain, Guardian in the USA)

► Currency impact of -3.2% (US dollar and British pound)

May 7, 2008

17

Certification

► Organic growth of 3.2%

- Q1 2008 still impacted by ISO 9000-2000 recertification cycle
- High new sales volume
- Increased share of global certification contracts with key accounts
- Double digit growth expected in China, India, Russia, USA, Spain and the UK

► Scope impact of 6.4%

- ECA in Spain, AQSR in North America

► Currency impact of -1.5%

May 7, 2008

18

Consumer Products

► Organic growth of 18.3%

Dynamic activity in all segments, especially in toy testing and softlines analytical services

- Continued strong growth in US retail-generated toys testing following product recalls and in anticipation of new regulation
- Development in Europe driven by increased presence with German retailers
- Local Asian market growing

► Currency impact of -10.5% (more than 80% of revenue in US dollar or pegged currencies such as Hong Kong dollar)

May 7, 2008

19

Government Services & International Trade

► Organic growth of +1.8%

- -1% in Government Services (66% of Q1 2008 revenue): progressive termination of the Ecuador contract. Going forward, start of a new PSI contract (Guinea), a new scanner contract (Mali) and scope extensions in Congo and Bangladesh contracts will balance the termination of the Ecuador contract.

- +14% in International Trade (34% of Q1 2008 revenue): good volume increase in various existing inspection contracts (oil in Congo, rice in Thailand). New oil inspection contract in Tchad to start in Q2 2008.

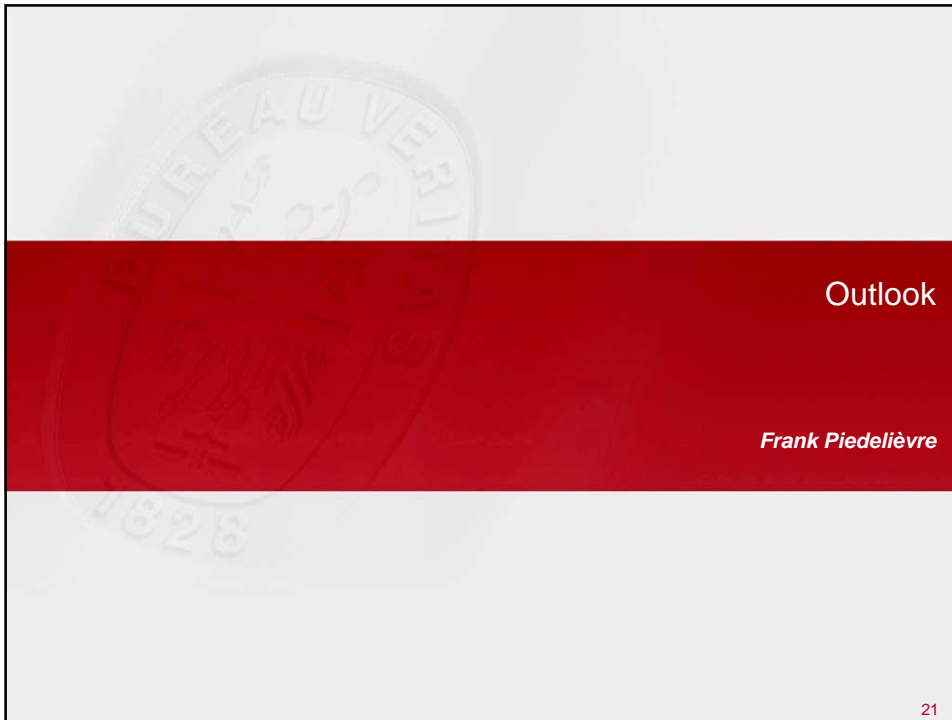

► Scope impact of 16.3%

- Mainly CCI Holdings in Australia

► Currency impact of -2.3%

May 7, 2008

20

Outlook

Frank Piedelièvre

21

Outlook

- ▶ **Strong growth expected in 2008...**
 - In excess of 15% growth in revenues and adjusted operating profit, at 2007 exchange rate and excluding any contribution from 2008 acquisitions
- ▶ **... in line with the 2011 target**
 - Double 2006 revenue by 2011, based on:
 - Average organic growth of 8%
 - External growth of 7%
 - 150 bps operating margin improvement at constant perimeter (excluding acquisitions)
 - 15-20% average annual net income growth over the period (excluding non-recurring items)
