Outlook

Guidance given on August 26, 2010 confirmed:

- Double digit top-line growth in H2 2010
- Slight improvement in FY 2010 adjusted operating margin (as a percentage of revenues) on an organic basis
- Inspectorate should slightly exceed FY 2010 budget

2011 should benefit from the improvement observed in most of the Group’s markets, a reinforced exposure to fast growing geographies and the integration of Inspectorate

Beyond 2010, structural organic growth drivers stay the same

- Standards and regulations
- Supply chain globalization
- Outsourcing and privatization
- Fast growing geographies
